ferred to the committee on improvements and Mr. Winsor opposed the reference, and thought action should be taken on the recommendations and not refer a report of one Witness fees in Chas. Davis' case. mendations and not refer a report of one H. Heurtman. committee to another. He was in favor of part and not all of the recommendations. He recommended the macadamizing of Main Cross, between Franklin and South street, to connect the macadam on the two streets,

Mr. Russell said he moved the reference because the committee on streets and alleys had not been definite in its report, not having stated the probable cost of the work

Poplar street as very important, as the present drainage facilities are inadequate to carry off the water. Mr. Williams moved to amend Mr. Russell's motion by referring back the report to the committee on streets and alleys, with in-

struction to report the cost at the next meetrecommended ought to be done, and that it will cost not more than \$500, and called attention to the value of the property on the street. Mr. Homer opposed the macadamizing spoken of, as the street near the old Temple projecty and Pine street need the macadam worse. "Carry the macadam to the depot first, and then Pine street."

Messrs. Williams and Simmons spoke on Mr. Williams' amendment carried. Mr. Homer presented the following petition, which was referred to the gas com-

To the Hon, Mayor and Council of the City of Lexington.—The undersigned voters and taxpayers respectfully ask your nonorable body, to order the gas district extended along Ridgeway street, from the Second Ward School to Cork street, and by granting the above request vou will confer a great favor as the gas is badly needed along said street.
